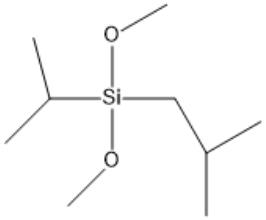
YAC-IBIPDMS

Isobutyl Isopropyl dimethoxy silane



CAS No. 111439-76-0

Specifications:

Tests	Specification
Appearance	Colorless liquid
Assay	⩾98.0%
Color	⩽20
Moisture	100ppm

Package: 180Kg/Drum

Application:

- External electron donor for propylene polymerization, producing special polypropylene resin grades.

Storage: Store in a cool, dry warehouse. Keep away from open flames, hot surfaces and sources of ignition. Keep container tightly closed.

Recommend Shelf Life: 12 months.
