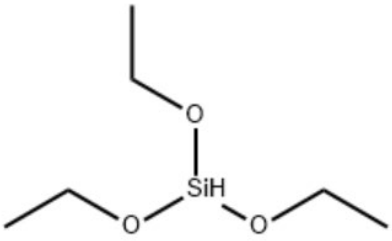
LANYACHEM
"The Chemistry We Serve"

YAC-H123

Triethoxysilane



CAS No. 998-30-1

Specifications:

Tests	Specification
Appearance	Colorless transparent liquid
Assay	≥98.0%
Refractive index (nD^{25})	1.3710~1.3810

Package: 180Kg/Drum

Application:

- Used as an intermediate for other functional organosilanes.

Storage: Keep containers tightly closed in a dry, cool and well-ventilated place.

Recommend Shelf Life: 6 months.
