

# YAC-TEOS40

## Ethyl silicate

CAS No. 78-10-4

### Specifications:

Tests	Specification
Appearance	Colorless transparent liquid
Chlorine	≤50ppm
Hazen (Pt-Co)	≤30
SiO <sub>2</sub>	40%-45%
Ethanol	≤1%

**Package:** 200Kg Drum.

### Application:

- Heat protection coatings.
- Chemical resistant coatings.
- Silane coupling agents and organic synthetic intermediates.

**Storage:** Keep away from open flames, hot surfaces and sources of ignition. Keep container tightly closed.

**Recommend Shelf Life:** 12 months.
